

Mathematics Academic Resources:

- LevelUp

LevelUp is a self-paced program of online modules on UMLearn (instructional videos, exercises, and quizzes) to get students refreshed on basic mathematical skills. Everything from basic number sense and fractions to Trigonometry and Logarithmic functions is covered, and students can do as little or as much as they wish to be prepared for any introductory mathematics course (or other science course requiring basic math skills).

- Math Bootcamp

Formerly known as 'PreCalculus Refresher', this is an 8 hour review, held over two days. It covers high school material which will be directly relevant to MATH 1500, MATH 1510 or MATH 1520. Details and registration available in the Mathematic office (420 Machray Hall).

- Saturday Series

A series of three 3-hour lectures, scheduled early in the term, to help students review topics that are relevant background knowledge for our first year courses. Students may attend any or all of these sessions. Registration is required, space is limited.

- Math Help Centre

The department has a help centre, located 412 Machray Hall, available to students registered in first year math courses. It opens after the first full week of classes
