e-mail: [sasho@cc.umanitoba.ca](mailto:sasho@cc.umanitoba.ca)

Office Hours: ~~Mondays: 9:30-10:20~~, Tuesdays: 10:15-11:15, and other days by appointment.

▲

1. The general web page for all courses I teach or have taught, and for other little things:

<http://server.maths.umanitoba.ca/homepages/sasho/>

The page also contains links to all of the pages listed below.

2. The web page for this course (136.130), this section (L04)

[http://server.maths.umanitoba.ca/homepages/sasho/courses/130\\_Fall\\_2004/130\\_Fall\\_2004.html](http://server.maths.umanitoba.ca/homepages/sasho/courses/130_Fall_2004/130_Fall_2004.html)

This page contains (links to) material related to the course and to this section; it will be upgraded regularly. In particular, it has a link to the course outline and the information you are just reading. It also contains (links to) various pictures, movies and interactive graphics supplementing the material we cover (more to be added along the way), as well as old midterm and final exams. Solutions of our midterm exam problems and sample quizzes will be posted there.

3. The Discussion Page:

(<http://server.maths.umanitoba.ca/discus/>)

It contains a discussion board for our course. The discussion board already contains more than 1000 posts related to this course. Take a look!

4. WebMathematica Page for this course; a link can be found in the above pages or through the main webMathematica page at

<http://webware.cc.umanitoba.ca:8080/webMathematica/MY.html>

The page is equipped with easy to use interactive scripts related to this course; check it out!
