WebMathematica Page: contains links to interactive pages related to various course I have taught or am teaching (including this one). Check it out!

Quizzes for Math 1500, Section A05 (during Lab classes); tentative schedule.

Quiz #1: September 24

Quiz #2: October 8

Quiz #3: October 22

Quiz #4: November 12

Quiz #5: November 26

The course outline and other information related to this course are in a separate handout. Just one advice before we start: attend the classes! Mathematics and calculus in particular can often not be properly understood and absorbed at first glance; but that first glance, even when it is superficial, can be of considerable value when reviewing the material on your own.
