A page dedicated to this course, this section.

<http://home.cc.umanitoba.ca/cgi-bin/discus/discus.cgi>

A discussion page: a place to ask questions and look for answers. Check it out!

<http://webware.cc.umanitoba.ca:8080/webMathematica/MY.html>

WebMathematica Page: contains links to interactive pages related to various courses I have taught or am teaching (including this one). Check it out!

The course outline and other information related to this course are in a separate handout. Just one advice before we start: attend the classes! Mathematics and calculus in particular can often not be properly understood and absorbed at first glance; but that first glance, even when it is superficial, can be of considerable value when reviewing the material on your own.
